REMARKS

The application has been reviewed in light of the Office Action dated July 14, 2006. Claims 1-6 were pending. By this Amendment, claim 6 has been canceled, without prejudice or disclaimer. Accordingly, claims 1-5 are now pending.

Claim 6 was rejected under 35 U.S.C. § 102(b) as purportedly anticipated by U.S. Patent No. 6,115,141 to Kim. By this Amendment, claim 6 has been canceled, without prejudice or disclaimer. Accordingly, the rejection is now moot.

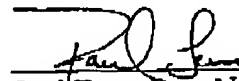

The Office Action indicates that claims 1-5 are allowed. Applicant appreciates the Examiner's statement of reasons for allowance in the Office Action and submits that the allowed claims recite subject matter which further supports patentability for reasons in addition to those identified in the Examiner's statement of reasons for allowance in the Office Action.

Since all of the pending claims have been allowed, Applicant submits that the application is now in condition for allowance, and earnestly solicits the allowance of the application.

If a petition for an extension of time is required to make this response timely, this paper should be considered to be such a petition. The Patent Office is hereby authorized to charge any fees that may be required in connection with this amendment and to credit any overpayment to our Deposit Account No. 03-3125.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Respectfully submitted,
